OBJECTIVES

At OUTREACH it is our mission to:

- Offer a platform for students to share their ideas, opinions, experiences, skills and interests through blogs, articles and other literary media.
- Effectively manage the school website by showcasing events conducted by the school and informing students about the activities taking place within and outside the school.
- Showcase student's achievements in their various ventures.
- Inspiring students to read and express their views on works of fiction, non-fiction and current events through book/movie reviews and blogs.
- Offering students the opportunity to report about events around the school.
