REPORT ON UAE CBSE CLUSTER SWIMMING CHAMPIONSHIP, 2025-26

The CBSE UAE Swimming Cluster for girls was held on 17th and 18th of June 2025 and organized by Bright Riders School, Abu Dhabi. The event was a wonderful platform for young swimmers to showcase their talent and sportsmanship.

Our school team consisted of 19 girls who took part in the event. An important achievement this year was the significant improvement in our swimmer's timings in their events.
