Report on Taekwondo Nationals

Our school team participated in the **Taekwondo National Championship** with great enthusiasm. The students showcased their dedication and tried their best in events. While their performance was commendable, it was observed that the **two months' vacation impacted their fitness levels and overall preparedness**, which in turn affected the results.

To enhance future performance, it is essential to implement a **specific strategy and structured training plan**. A consistent practice schedule, focused conditioning sessions, and skill-based training will help the students maintain fitness, improve techniques, and compete more effectively at the next level.

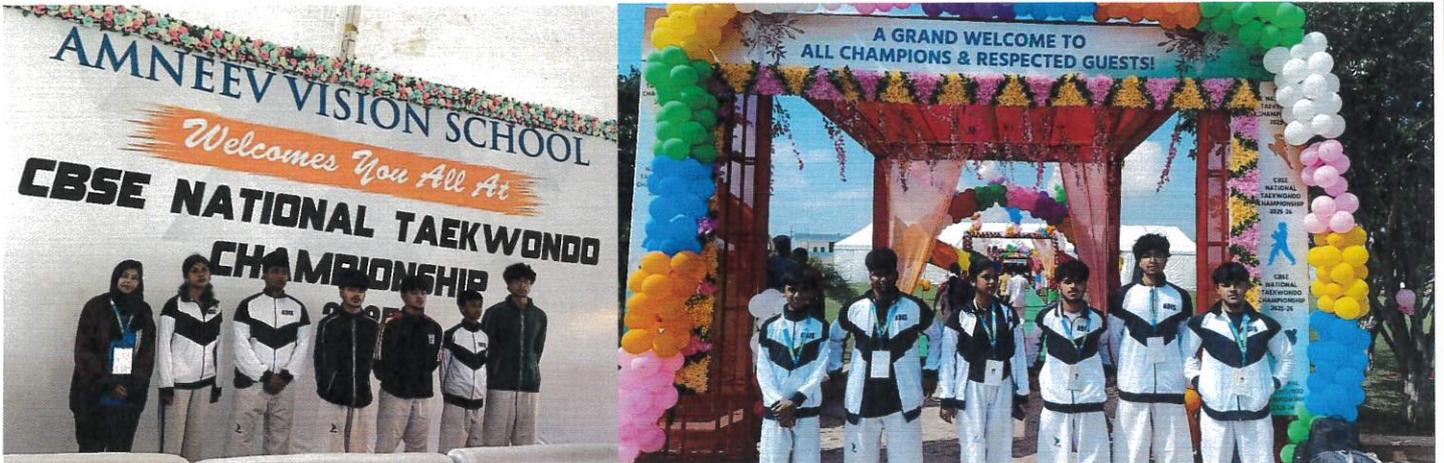

With timely guidance, regular practice, and structured planning, our students will be well-prepared to achieve stronger results in future competitions.

MESSAGE FOR SOCIAL MEDIA

CBSE National Taekwondo Championship Update!

Hats off to our team for putting in their best effort and representing **Abu Dhabi Indian School** with pride.

Our students made us proud by **displaying courage, discipline, and resilience** at the **CBSE Nationals Taekwondo Championship**, held on 3rd to 7th September 2025, at **AMNEEV Vision School Etawah, UP India**. The experience has strengthened their skills, teamwork, and determination—a **big step towards future victories!**
