

## REPORT ON: GCC EXHIBITION FOR TRAINING & EDUCATION- VISTA DRONE COMPANY EXHIBITION, ETIHAD ARENA, MUSSAFAH, SEPTEMBER 2025

### Introduction

The Grade 11 students of Abu Dhabi Indian School showcased their enthusiasm and commitment during the **GCC Exhibition for Training & Education – Vista Drone Exhibition, held at Etihad Arena, Mussafah**. Guided and volunteered by Mrs. Binila Balakrishnan (Robotics Teacher – Middle Girls Section) and Ms. Anupama Elizabeth Thiruvinal (Robotics Teacher – Middle Boys Section), the event mainly aimed to provide students with the opportunity to serve as volunteers and exhibitors for Vista Drone Company.

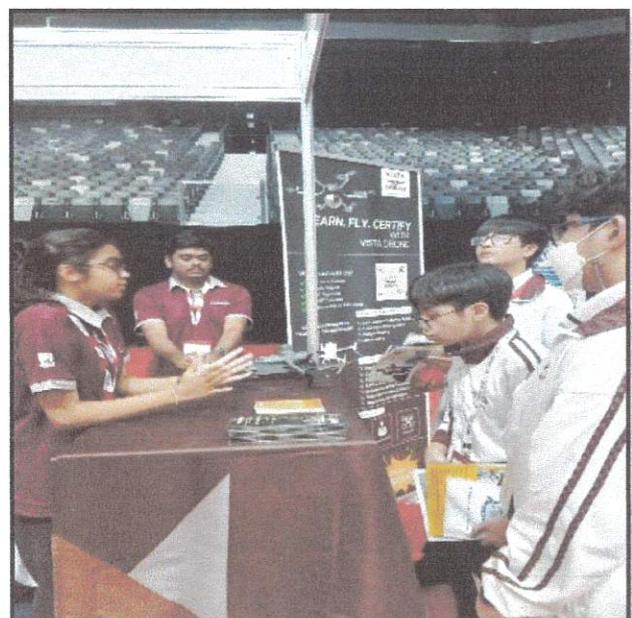

Abu Dhabi Indian School participated in the exhibition for all three days, from **September 22 to September 24**. The Grade 11 students actively contributed by marketing the **GCAA Certified Drone Pilot Training Program**, interacting with visitors, and sharing details about drone flying rules and licensing opportunities in the UAE. At the same time, they gathered valuable information about **drone careers, recreational and professional flying, and marketing techniques**.

The exhibition, organized as a GCC-level event with participation from various universities, also reflected India-UAE collaboration in education, creating a valuable platform for students to engage with industry experts and the wider community.

Students explaining the drone pilot training program to visitors.

Volunteers sharing rules for recreational and professional drone

Students discussing career opportunities in drone technology.

Volunteers marketing Vista Drone's certified training courses.

## ✂ Achievements & Participation

The block witnessed active involvement, with **three Grade 11 students of Abu Dhabi Indian School** participating as volunteers:

- **Rishika Nai (Grade 11)** – Volunteer Exhibitor & Marketing Team
- **Alfred Jacob Vipin (Grade 11)** – Volunteer Exhibitor & Marketing Team
- **Arnold Jacob Vipin (Grade 11)** – Volunteer Exhibitor & Marketing Team

The students **actively marketed the Vista Drone training program**, interacted with visitors, and gathered relevant information from the exhibition. Their experience not only gave them exposure to drone careers but also helped them strengthen **teamwork, communication, and public interaction skills**.

Their accomplishments brought pride to the school community.

## 🗨 Voices from the Students

*"We learned how drones can be used for both fun and professional purposes, and how licenses are important in the UAE."* – **Rishika Nai, Grade 11**

*"The exhibition gave us confidence to market a professional training program and talk to many visitors."* – **Alfred Jacob Vipin, Grade 11**

*"I discovered new career paths in drone technology that I had never thought of before."* – **Arnold Jacob Vipin, Grade 11**

## Reflection from the Teachers

**Mrs. Binila Balakrishnan (Robotics Teacher – Middle Girls Section)** shared:

*"It was a wonderful experience to see the students step into the role of exhibitors. They not only marketed the Vista Drone program effectively but also interacted with visitors with great confidence. Such events provide them with valuable exposure to professional environments and help them grow into responsible individuals."*

**Ms. Anupama Elizabeth Thiruvinal (Robotics Teacher – Middle Boys Section)** shared:

*"The Vista Drone Exhibition gave our students an excellent opportunity to learn beyond the classroom. They gained insights into drone careers, licensing rules, and marketing strategies while also developing teamwork and communication skills. I was proud to see them take initiative and perform their role as volunteers with enthusiasm and dedication."*

## Conclusion

The Vista Drone Stall at the GCC Exhibition for Training & Education was more than just an event — it was a moment of **growth, exposure, and responsibility** for the **Grade 11 students of Abu Dhabi Indian School**. Participating for all three days (**September 22–24**), they actively fulfilled their role as **volunteers and exhibitors**, gaining valuable experience in **marketing, public speaking, and professional networking**, while learning about **drone technology and future career opportunities**

**Dr. Rishikesh Padegaonkar**
