Al Ain Inter-School English Literary Competition 2025

Our young achievers, Nuha Ansari (5B) and Emma Mohammed (5B), made us proud at Al Ain Indian School by winning Second Place in Poem Recitation and Third Place in English Elocution respectively.

The **Al Ain Inter-School English Literary Competition 2025** was held on **30th October 2025** at **Al Ain Indian School**. The event brought together participants from various schools across the region to celebrate the beauty of the English language through **poem recitation** and **elocution** contests.

From the **ADIS Primary Girls Section (Grades III–V)**, talented students **Nuha Ansari (Grade 5B)** and **Emma Mohammed (Grade 5B)** proudly represented the school under the guidance of **Mrs. Rahiyamol Hamza**. Their outstanding performances earned remarkable achievements — **Nuha secured Second Place in Poem Recitation**, while **Emma won Third Place in English Elocution**.

The competition aimed to enhance language fluency, public speaking skills, and literary appreciation among young learners. Students demonstrated confidence, expression, and creativity while engaging with poetry and prose.

The event reinforced **Moral Values** of *Confidence, Teamwork, and Respect*, aligning with **SDG Goal 4 – Quality Education**, by promoting communication skills through literature and performance.

This proud achievement highlighted the students' linguistic talent and enthusiasm, reflecting the school's continued commitment to nurturing confident, expressive, and articulate learners.
