

REPORT ON CAREER COUNSELLING PROGRAM

A Career Counselling Program was organized at school in collaboration with The Institute of Chartered Accountants of India, Abu Dhabi Chapter.

Venue: Sheikh Zayed Auditorium, Abu Dhabi Indian School, Muroor

Date: 13th November 2025 (Thursday)

Target Audience: Grades 10, 11 & 12 (Girls & Boys)

Link to Curriculum: The session aligns with the Career Guidance Program, supporting students in exploring higher education pathways and future readiness.

The event highlighted three main topics:

1. **CAREER DISCOVERY WORKSHOP** – by **Mr. Julius Reyes**, Schools Engagement Manager – Middle East, Murdoch University Dubai

Objective

- To guide students in identifying their personal interests, strengths, and motivations related to careers.
- To help students explore diverse career opportunities in emerging and traditional fields.
- To provide practical strategies for planning career pathways and setting achievable goals.

Students participated in interactive activities such as:

- Passion vs Interest reflection
- Personality Color Quiz based on DISC theory
- Picture Interest Test to analyze personal preferences and related career options
- Goal-setting exercise to create a personal Career Action Plan

Conclusion: The workshop was highly informative, motivating, and relevant to students preparing for higher education choices.

2. **EXPLORING FUTURE CAREER OPPORTUNITIES** – by **Ms Dhanya Wilson**, Destination Manager (UK & IR) and Business Development Manager at IDP Abu Dhabi

Objective: To provide students with insights into emerging career paths and higher education opportunities across diverse academic disciplines, enabling them to make informed decisions about their future goals and aspirations.

Session Goals:

The session on “**Exploring Future Career Opportunities**” aimed to:

- Help students understand changing industry demands and the skills required for future careers.

Fax : +9712 4489 002

- Expose them to broad academic and professional fields such as **Health Sciences, Engineering, Business, Arts, Humanities, Applied Sciences, and Technology.**
- Guide students in selecting suitable career directions based on their strengths, interests, and personal values.
- Encourage informed decision-making and early planning for university admissions.

Conclusion: The career awareness session was a highly enriching and meaningful experience. It encouraged students to reflect on their interests, identify their strengths, and explore diverse educational pathways available globally.

3. EXPLORING CA AND FINANCE CAREERS – CA Suma Rajesh and CA Kavya Jayaprakash, ICAI

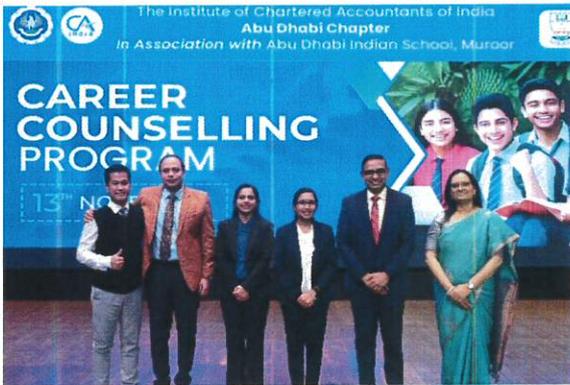

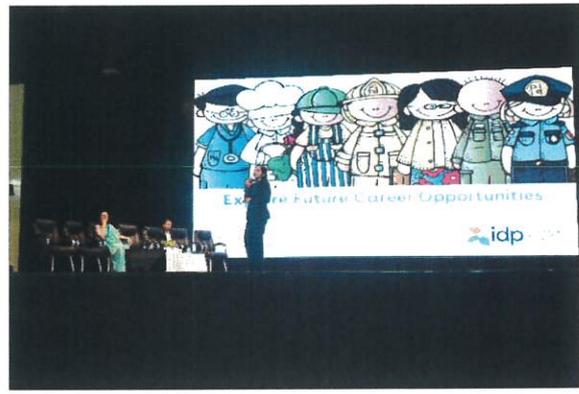

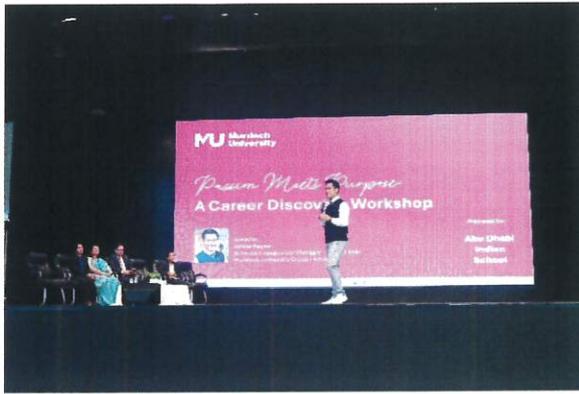

Objective: To provide students with insights into Finance careers and especially the pathways to CA as a career.

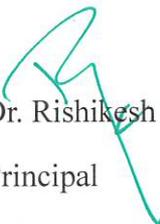

Session Goals:

The session aimed to:

- Help students understand how Finance and CA can be linked to any subject options they choose at school level.
- Discuss the timeline and pathways to help students choose CA as a career.

Conclusion: The session threw meaningful insights into the world of Finance related careers and especially CA.
