The **Primary Girls Royal Spell Bee Competition** was held on **4th November 2025** at the **Counselling Lab, Senior Boys Block**. The event aimed to enhance spelling, vocabulary, and language skills among students while fostering confidence, discipline, and healthy competition.

Students from **Grades 3, 4, and 5** participated enthusiastically under the guidance of the **English Department**, demonstrating remarkable preparation, focus, and communication skills. Participants were provided with study materials in advance, allowing ample time for practice and revision.

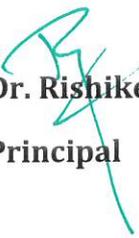

The competition comprised three engaging rounds: a **dictation round**, a **written round** featuring word unscrambling and meaning-based activities, and an **oral round**, where contestants confidently spelled challenging words.

The event successfully promoted **language development, phonemic awareness, and self-confidence**, while encouraging values such as **integrity, respect, cultural awareness, and unity in diversity**. It also linked with **English, Hindi, and Arabic**, and highlighted aspects of culture, language, and values from the school's MIP framework.
