

Report on EMIRATES NBD Poetry for All 2026

Primary Girls' Section | Grade 5

The Finals of *Emirates NBD Poetry for All 2026* were held on 21 January 2026 at the InterContinental, Dubai Festival City, Dubai. The prestigious event brought together students from different curriculum schools across the region to showcase their poetry recitation skills.

We are proud to share that Fatima Meshad of Grade 5C emerged as a winner in the English Poetry Recitation (8–13 years category). Her confident delivery, clear articulation, and expressive performance earned her well-deserved recognition.

The competition aimed to nurture a love for poetry while enhancing students' memorization, pronunciation, and public speaking skills. It also encouraged creativity, emotional expression, and confidence in young learners.

We congratulate Fatima on her remarkable achievement and appreciate the guidance of Ms. Sajeena Moosakutty. Her success is a proud moment for ADIS Primary Girls' Section.
